

## HSBC USA Inc. announces redemption of ELEMENTS<sup>SM</sup> Exchange-Traded Notes

**New York – September 7, 2016** – HSBC USA Inc. (“HSBC”) is announcing the redemption of all of the ELEMENTS<sup>SM</sup> exchange-traded notes linked to the S&P Commodity Trends Indicator – Total Return due June 16, 2023 (“ETNs”).

The ETNs are listed on the NYSE Arca (ticker symbol: LSC). There are currently less than \$5,000,000 aggregate principal amount outstanding of the ETNs. Under the terms of the ETNs and the Indenture between HSBC and Deutsche Bank Trust Company Americas dated as of March 31, 2006, HSBC will redeem all of the ETNs on September 19, 2016 (the “Redemption Date”).

HSBC expects to provide notice of redemption via The Depository Trust Company on September 13, 2016. The Redemption Price to be paid to holders of the ETNs will be their daily repurchase value on September 14, 2016, the Valuation Date, as those terms are defined in the Pricing Supplement dated March 5, 2015 to the Prospectus dated March 5, 2015. The Redemption Price will be paid to the holders on the Redemption Date, which is expected to be the third business day after the Valuation Date. The last trading day for the ETNs is expected to be September 16, 2016. Daily creations of the ETNs will be suspended immediately. Daily repurchases at the option of holders will be accepted in the normal manner up to and including September 13, 2016.

Beginning on the Redemption Date, the ETNs will no longer be considered outstanding.
